

Agenda
Hodgson Brook Local Advisory Committee
DES Office, Pease International Tradeport

Tuesday, January 10, 2006
4:30 pm – 6:00 pm

Introductions

Review Minutes from 9/27/05 meeting

Discussion:

HBAB Chair
Membership

Meadowbrook letter

Discussion: Should we as a Board “support” or “not support” projects like Meadow brook? (or other development/redevelopment projects – LID etc)

Review and Response – how did that process work for you? Suggestions

Report: Seacoast News project. Turbidity exceedance reported to DES on Oct 25, 2005. Turbidity readings were upstream 11 NTU, down stream 103 NTU and discharge from site was 500 NTU.

HBWC work with City Boards

Discussion: Should City refer developers to HBAB for LID input for projects in the watershed?

HBAB signage – DOT/CoP
